Subject: Completion of MCHM sampling and analysis protocols

Fran,

Raj Singhvi called this morning. He said to complete the remaining work on the sampling and analysis protocol for MCHM he needs an additional

\$15K. This is on top of the \$10K we are processing. (He also said he didn't get this funding yet. Told him I will look into the status; I have no idea how long it takes.)

I said its probable we will say go ahead but don't do anything just yet. I asked him to give me a couple paragraphs justifying the additional costs.

Let me know your thoughts.

Jack
